

Bilateral cooperation

- › **Practical learning mobility** is a planned learning process in which NGO employee(s) or volunteer(s) from Lithuania or donor country (Iceland, Liechtenstein or Norway) participate. It must be implemented in partnership between an NGO in Lithuania and a not-for-profit organization in the donor country.
- › **Active Citizens Fund (ACF)** in Lithuania provides funding for short-term visits to the donor country or Lithuania, during which the NGO employee(s)/volunteer(s) temporarily integrate into the environment of the host non-governmental organization, learn, establish partnerships and therefore acquire competencies useful for their work at the sending NGO.

POTENTIAL APPLICANTS

- › NGO, registered in Lithuania
- or
- › Not-for-profit organization, registered in Iceland, Liechtenstein or Norway

FUNDS
€40,000

DURATION OF MOBILITY
